ABOUT GIRL SCOUTS OF SUFFOLK COUNTY

At Girl Scouts of Suffolk County, our mission is to build girls of courage, confidence, and character who make the world a better place.

The Girl Scout Leadership Experience is centered on four pillars-STEM, Outdoors, Life Skills, and Entrepreneurship, and is designed to build confidence in every girl, regardless of background or ability. Guided by supportive adults and peers, girls develop their leadership potential through age-appropriate activities that enable them to discover the world around them.

Today's Girl Scouts are tomorrow's world changers, and at Girl Scouts of Suffolk County, we are committed to helping every girl build a foundation for success.

Girl Scout Promise

On my honor, I will try:
To serve God* and my country,
To help people at all times,
And to live by the Girl Scout Law.

Girl Scout Law

I will do my best to be
honest and fair,
friendly and helpful,
considerate and caring,
courageous and strong,
and responsible for what I say and do,
and to respect myself and others,
respect authority,
use resources wisely,
make the world a better place,
and be a sister to every Girl Scout.

God in accordance with their
own spiritual beliefs.*

LETTER TO SUPPORTERS

Dear Friends,

At Girl Scouts of Suffolk County, our mission to build girls of courage, confidence, and character who make the world a better place is the guiding light of everything we do. We believe in the power of every girl, so we provide extraordinary experiences that help her shine, regardless of background or ability. With activities designed to be girl-led, cooperative, and hands-on, Girl Scouts empowers girls to be the leaders of today and tomorrow.

Your generous contribution to our Golf Classic has more than just a financial impact. It is the difference-maker in our Community Programs Initiative to bring staff-led school-based programming to over 40 schools this year. It's a step that breaks down barriers and provides a pathway for all girls to realize their potential, build leadership skills, and develop lifelong friendships. It enables us to expand programming and offer resources that ensure no girl will ever be turned away from Girl Scouts due to financial barriers.

Our 2024 Golf Classic honoree, Jeffrey W. Berkman, Esq., LL.M., a founding partner at Falcon Rappaport & Berkman LLP believes in the importance of Girl Scouts and shares our vision for the future of girls. We are delighted to honor him for his dedication to our mission and commitment to empowering Girl Scouts across Suffolk County and beyond. Today's Girl Scouts are tomorrow's world changers, and with your support, they can do anything.

Warmly,

How Girl Scouts Can Support Mental Health*

“Because of Girl Scouts, I’ve had a community and a safe place to be myself.”

2/3rds
of girls feel
like being in
Girl Scouts
supports their
mental health.

Girls say Girl Scouts
provides...

- ✓ A safe space
- ✓ A program that teaches leadership, courage, confidence, & character
- ✓ Social support & friendships
- ✓ Supportive adult relationships
- ✓ Consistency & comfort in a time of change

“Girl Scouts has taught me to be self-confident, which is very good for my mental health. I have learned to be brave when trying new things, which reduces anxiety I might have had when put in new or uncomfortable situations. I have learned to be adaptable. Girl Scouts’ encouragement of always trying new things has led me to pursue activities that make me happy.”

*Girl Speak Out About Mental Health, GSRI, 2020

THANK YOU!

to Jeffrey Berkman for being our Golf honoree, and to all of our sponsors and attendees for your continued support of Girl Scouts of Suffolk County!

What Differentiates **SUNSHINE PHYSICAL THERAPY** from other Physical Therapy Offices? We asked our patients and they said... “Experience, HHS Hospital of Special Surgery Credentials, Longevity of Providing Professional Service and Care to our Community.”

With every Visit at **SUNSHINE PHYSICAL THERAPY** a Hands on approach is provided with specialized treatment to the specific needs of our patients. While many practices have a PT evaluate their patients initially and then most subsequent visits are often with inexperienced staff. Just in 2021 thus far **SUNSHINE PHYSICAL THERAPY** has rehabilitated over 200 patients that had received HIP, KNEE, SHOULDER Replacement and ROTATOR CUFF Injuries.

- ✓ Orthopedic Clinical Specialist
- ✓ Sports Rehab Therapy
- ✓ Post Operative Therapy
- ✓  HSS Certified Orthopedic Hip Specialist

I've gone to other PT's for months and was not getting better. I came to Sunshine Physical Therapy and started having decreased pain within a few treatment sessions.

I continue to be impressed with everything here. The Staff is EXTRAORDINARY! Warm, Caring, Professional, Concerned ...

Community Programs Initiative

We are dedicated to ensuring that every girl has the opportunity to experience the transformative power of Girl Scouting. This commitment is epitomized by our in-school initiative. By bringing Girl Scouting directly into schools, we break down barriers and provide a pathway for all girls to discover their potential, build leadership skills, and develop lifelong friendships.

Last year, we brought the Girl Scout program to over 2,600 girls across diverse communities in 32 programs in 7 school districts.

This year, we will be in over 50 schools across 15 school districts & 2 charter schools in Wyandanch.

Invest in a Girl-led Future

Scholarships make dreams real. Up to 85% of Girl Scouts in these programs need financial aid and we are committed to ensuring that no girl is turned away due to financial barriers.

With every Visit at **SUNSHINE PHYSICAL THERAPY** a Hands on approach is provided with specialized treatment to the specific needs of our patients. While many practices have a PT evaluate their patients initially and then most subsequent visits are often with inexperienced staff.

Just in 2021 thus far **SUNSHINE PHYSICAL THERAPY** has rehabilitated over 200 patients that had received HIP, KNEE, SHOULDER Replacement and ROTATOR CUFF Injuries.

- ✓ Orthopedic Clinical Specialist
- ✓ Sports Rehab Therapy
- ✓ Post Operative Therapy

✓ **HSS** Rehabilitation Network
HSS Certified Orthopedic Hip Specialist

I've gone to other PT's for months and was not getting better. I came to Sunshine Physical Therapy and started having decreased pain within a few treatment sessions.

I continue to be impressed with everything here. The Staff is EXTRAORDINARY! Warm, Caring, Professional, Concerned ...

Practice is Top Notch #1
